

Outstanding Teacher Programme (OTP)

Overview

The Outstanding Teacher Programme is a nationally recognised and versatile programme that has been developed by Olevi. It is accredited by the National College for School Leadership and is delivered by OFP accredited staff including the AHT responsible for teaching and learning.

The Programme gives good (and outstanding) teachers a set of high level skills and strategies that enable them to become consistently and sustainably outstanding. It helps them to:

- Demonstrate higher level understanding of teaching and improve learning for their pupils
- Coach colleagues in their own school and in other schools to raise performance levels
- Create a proactive school culture where the quality of teaching and learning is observed, discussed, challenged and enhanced.
- Increase the job satisfaction and create opportunities for further leadership and career progression
