

HASLINGDEN HIGH SCHOOL PROVIDER ACCESS POLICY

Introduction

This policy statement sets out our school's arrangements for managing the access of providers to students at the school for the purpose of giving them information about the range of education and training provision available. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

Pupil entitlement

All pupils in years 8 -13 are entitled:

- to find out about technical education qualifications and apprenticeship opportunities, as part of a careers programme which provides information on the full range of education and training opportunities available at each transition point;
- to hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies, group discussions and taster events;
- to understand how to make applications for the full range of academic and technical courses.

The school will also make available AV and other specialist equipment to support provider presentations. This will be discussed and agreed in advance of the visit with the Careers Lead or a member of their team.

Providers are welcome to leave a copy of their prospectus or other relevant course literature for our Careers Library, which is managed by our Careers Advisor. This facility is available to all students at lunch and break times.
