

PUZZLE OF

WEEK

Puzzle 1

'Acronyms'

An acronym is a word formed by the first letter of other words.

AWOL RSVP LOL BBC ASAP BOGOF

GREAT

If you are allowed to use only the letters A to E

- (a) How many 2 letter acronyms are there?
- (b) How many have no repeated letters?
- (c) How many of these have the letters in reverse alphabetical order?

FANTASTIC

If you use all the letters A to Z

- (a) How many 3 letter acronyms are there?
- (b) How many have no repeated letters?
- (c) How many of these have the letters in reverse alphabetical order?
