Name of film music composer here

Picture of your film composer here

Films *COMPOSER NAME* has composed music for include:

- *At least 3 film titles that your chosen composer has composed the music for*
- *Title & (year)*

The film music that I have chosen to comment about is:

*Advertisement
picture of film,
eg the DVD
cover*

Your task is to listen to the film music that you have chosen and then comment how the music represents the action or character within this film.

You should make reference to the musical elements using DR SMITH

You could comment on how the music makes you feel and which parts make you feel excited or maybe even emotional.
