Message to all our Year 13 students regarding the collection of examination results

Dear All

I hope this message finds you safe and well. The vast majority of you will be looking forward to starting the next stages of your career. Whether this is employment, an apprenticeship or further study, I would like to take this opportunity to wish you every success for the future.

As you are all well aware, the A Level examinations did not take place this summer and schools had to submit grades for each student, in each subject, that represented the 'most likely' grade that students would have achieved. There was clear guidance provided by Ofqual (the organisation responsible for examinations in England) to ensure the proportions of students achieving each grade, in each subject, remained the same as those in previous years. The process itself was very rigorous and had to go through several stages of moderation in school, with the final grades themselves subject to moderation by Ofqual.

This year, sixth form results day is **Thursday 13 August** and we are very much looking forward to seeing you on this important day.

We do, however, have to ensure that the day is safe as well as enjoyable. With this in mind, we have planned the following procedures very carefully and ask that everybody adheres to them on the day you collect your results:

- ***In order to collect your results, you should enter the sixth form building via the common room and follow the directions to the theatre.***
- ***Once you have collected your results, you may open them in the theatre or exit via the main entrance of the sixth form centre.***
- ***I fully understand this is a time when many students will be delighted with the results that they receive and results day can be a very emotional experience. Whilst you may wish to celebrate and discuss your results with your friends, I respectfully ask that you are mindful of the social distancing rules that are in place to ensure it is a safe environment for us all.***

I am genuinely looking forward to seeing as many of you as possible on the day. It is always a great experience for me to witness the reactions on students' faces when they receive their A Level results, often the reward for a tremendous amount of hard work.

Best wishes

Mark Jackson
Headteacher
