

Year 7 Computing Homework

Please complete on iPad or PC. Attend homework club if help with digital access is required.

- Load your Computing teacher's Google Classroom
- Open the Homework Assignment

Part 1 Seneca

Click the link provided on Google Classroom and complete the "Protecting yourself online" assignment set.

Part 2 Google Form

Please complete the questions on the Google Form attached to Google Classroom.

Part 3 Frenemies!

https://www.thinkuknow.co.uk/11_13/Need-advice/friends-frenemies-and-fakers/

1. Read the information on the link provided and watch the video clip if you can
2. Create a brief poster/ slide/ animation about what you think is the most important point to remember about "frenemies". Try to make it eye-catching!
3. Upload it to your Computing teacher's Google Classroom or Showbie Homework assignment
