

SUBJECT LEADER FOR PSHE TLR 2.2 (£4 783)

Required from 27 June 2022

The governors of this high achieving 11-18 school are seeking to appoint a talented, highly motivated and outstanding teacher to lead the PSHE and Citizenship curriculum across years 7-13.

The PSHE curriculum is central to our Personal Development offer and supports the school to achieve its [five school aims](#) and as a result, 'Achievement for All'. This is an exciting opportunity to design and sequence an inclusive and ambitious curriculum for all, across three key stages and to demonstrate whole school impact in a vital area of school life.

In making the decision to create a subject leader role for this aspect of the curriculum, we firmly believe that PSHE will mirror the success we have seen across the school in relation to curriculum design, delivery and outcomes. The successful candidate will recognise the need to offer a vibrant, engaging and relevant curriculum that utilises the strengths of all subject areas, ensuring that students leave Haslingden High School and Sixth Form equipped for the opportunities and challenges that will face them in their future endeavours.
