## **Safeguarding Statement**

Haslingden High School is committed to safeguarding and promoting the welfare of children and young people and takes its statutory duties and responsibilities in this context very seriously. We fully expect everyone working in or on behalf of the school to share our commitment. We take pride in ensuring that our robust policies and procedures are reviewed regularly and implemented consistently, by everyone, as we strive to maintain a strong safeguarding ethos and culture. Annual safeguarding training for all staff is an integral part of the school's CPD programme and all staff and volunteers undergo appropriate [DBS] checks prior to appointment.
