

Haslingden High School PE Faculty Key Stage 4 Core Games Curriculum Plan Your Sport - Your Choice

The KS4 Games Curriculum at Haslingden High School is designed to be inclusive and flexible. Games groups are carefully designed to ensure like minded students can engage in fun, social or competitive sport for 50 mins each week.

In discussion with their PE teacher and thinking carefully about their allocated facility students can help design their own core games sports programme that engages and inspires all Year 10 and 11 students to embrace sport and be active in their games lesson.
